NOTICE.

To Everyone Who Is Interested In the Old Summerfield Church and Cemetery!

Everyone interested in a good Road to the old Summerfield Church and Cemetery is asked to come help remake the Road which passes them.

Saturday, November 4th, has been set as Road-working day. An expert engineer sent by the Tennessee Highway Commission will direct the work.

The Tennessee Metal Culvert Co., has made a most liberal donation on the price of the culverts and the balance of the money has been given by Messrs Martin Marugg, E. C. Norvell, Sam Werner and Mont Glover. The N. C. & St. L. gives the freight.

So far the Committee appointed by the Cumberland Mountain KinCo to start this work has met with splendid cooperation, it only remains for all those who use this road, or who expect some day to be carried over it to their last rest to come and help put in the culverts and make a good road-bed.

Come with your tools, your team, your lunch! Come for all day, or for half a day, or for an hour! Come or send someone in your place! This means every man and boy, every woman and girl who has any interest or pride in the old SUMMERFIELD CHURCH and CEMETERY!

Signed by the committee appointed by the Cumberland Mountain KinCo to start this work,

Marion Sanders,
Oscar Henderson,
Will Campbell,
Mont Glover,
Lillian W. Johnson.

Halloween.

Halloween passed off very quietly here.

There were the usual number of ghost parties, and Jack O' Lanterns were numerous in every window. No serious depredations were done by the boys only the changing of a few signs.

Death Of Alva Church

News was recieved here this week of the death of Alva Church, who dropped dead at Fulton Ky., his home. Mr. Church was at one time a resident of this place and has many friends here who will be sorry to learn of his demise. He is a brother of Mr. L. T. Church of this place, and a brother-in-law of Mr. G. W. Tidman, Mrs. K. A. Banholzer, who left immediately for Fulton on learning of his death.

ELECTION

Next Tuesday is general election day and we will be called upon to select men to fill the head of our great government and state. Let us think wisely when we vote and have the names of those whom we think will best direct us the next four years on our ticket.

P. A. puts new joy into the sport of smoking!

YOU may live to be 110 and never feel old enough to vote, but it's certain-sure you'll not know the joy and contentment of a friendly old jimmy pipe or a hand rolled

cigarette *unless* you get on talking-terms with Prince Albert tobacco!

P. A. comes to you with a *real* reason for all the goodness and satisfaction it offers. It is made by a patented process that removes *bite* and *parch*! You can smoke it long and hard without a come-back! Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

Prince Albert affords the keenest pipe and cigarette enjoyment! And that flavor and fragrance and coolness is as good as that sounds. P. A. just answers the universal demand for tobacco *without bite, parch or kick-back!*

Introduction to Prince Albert isn't any harder than to walk into the nearest place that sells tobacco and ask for "a supply of P. A." You pay out a little change, to be sure, but it's the cheer-fullest investment you ever made!
